Closing Remarks

Medical Supplies. Delivered.

McKesson Medical-Surgical Government Solutions delivers for federal, state, and local entities.

Keeping your communities healthy is an important job. But it can be challenging to deliver quality care and remain compliant. McKesson Medical-Surgical Government Solutions can help make it easier. McKesson can offer **next-day delivery to 95% of the country** with **99.8% order accuracy** and a **94.4% fill rate**—all within a network that spans **34 distribution centers, 5,500 suppliers, 900 delivery professionals**, and the nation's largest fleet.

Our dedicated Government Solutions team of customer service, sales, and operations professionals understands government compliance standards and procurement methods. We'll help ease your burden so you can focus on what matters most—operating at the highest level and providing the best in care.
